

**DUKE REVIEWS
BIG U. S. FLEET**

UNDERWOOD & UNDERWOOD

Duke is not a foreign nobleman, but he is the most popular mascot of the Atlantic fleet. He reviewed the big fleet in the Hudson river from the deck of the Dolphin, November 2.

The Walnuts and The Wine

The food question is nicely solved by London's medical journal, the Lancet. It tells us that walnuts and port are the things. "Thirty large walnuts contain as much fat as two and three-

quarters pounds of lean beef," according to this authority. Port goes fine with the walnuts.

For the advice, thanks; but the walnuts and the ports? Are they available at the same economical cost?
